The copyright to this manuscript/document is hereby transferred to HCTL Open, India (HCTL, <http://www.hctl.org>), effective if and when the manuscript/document is accepted for publication.

This copyright transfer covers the exclusive right to reproduce and distribute the contribution, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of similar nature.

This is also agreed that the Author may not publish his/her contribution anywhere else without the prior written permission of the publisher (HCTL Open) unless it has been changed substantially. The Author warrants that his/her contribution is original, except for such excerpts from copyrighted works as may be included with the permission of the copyright holder and author thereof, that it contains no libellous statements, and does not infringe on any copyright, trademark, patent, statutory right, or propriety right of others. The Author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.

This is also understood that if the declaration is false in a material particular, the copy supplied to HCTL Open by Author(s) found to be an infringing copy than the Author shall be liable for infringement of copyrights including the removal of the manuscript.

In return for these rights: Hybrid Computing Technology Labs (HCTL) Open, India agrees to publish the identified contribution and keeping the published article on their server for easy and free online access to everyone.
